**Subject:** RE: Sims Redwood City TSCA Application

Meg,

Thanks for the update and I hope you have a great trip and holidays!

I'm copying Lawrence Torres here to loop him in. We will keep an eye out for the Port's certification.

Sincerely,

Rich

**Subject:** Sims Redwood City TSCA Application

Hi, Rich, we are still waiting for the Port of Redwood City to provide its certification of the Risk-based Disposal Application. We met with Kristine Zortman, the new Port Executive Director, several weeks ago to discuss the project and relevant background. The Port requested a copy of the entire application, including the appendices, which we provided.

I sent the Executive Director a note today asking when we might expect the Port to complete its review of the application, as we had planned on about 3 weeks for their review. I am leaving for vacation on Monday and will be out of the country until the end of the month, so it looks like this issue may get deferred until after the New Year. If Scott or Peter receives the Port's certification while I am gone, they will certainly forward it to EPA.

I just wanted to keep you in the loop.

Thanks. Wishing you a Happy Holiday in advance! Meg
